International Assembly for Collegiate Business Education 11374 Strang Line Road Lenexa, Kansas 66215 USA

Report of Student Learning and Achievement Business Department D'Youville College

For Academic Year: 2012-2013

Mission of the Business Department

Consistent with D'Youville mission, the Business Department prepares its students for today's global business environment by providing theoretically sound instruction that centers on integrating classroom knowledge with professional application in fields of strategic and HRM management, marketing, accounting and finance, and international business. The main focus is to develop important business, personal, and professional skills that are valuable in business and other related professions. Thus, business programs at D'Youville College reflect the institution's commitment to academic, social, professional, and spiritual development of students.

Section I: Student Learning Assessment

	Student Learning Assessment for (Management and Advance - BS)			
Int	tended Student Learning Outcomes for (Program 1):			
1.	Comprehend important micro and macroeconomic principles that are the foundation for more advanced business topics.			
2.	Understand the importance of communication strategies and flow in an organizational setting.			
3.	Comprehend the theory of management and how it relates to four major management functions of planning, organizing, leading, and controlling.			
4.	Relate the importance of operations and supply-chain management in today's global environment.			
5.	Undestand how management relates to financial anlaysis and how managerial decisions impact financial position of an organization.			
6.	Explore the role of information and communication technology in management of people and organizations.			
7.	Appreciate the importance of ethics and ethical conduct in the business world.			
8.	Understand the role of public policy and corporate strategy in running an organization.			

Assessment Tools for Intended Student Learning Outcomes— Direct Measures of Student Learning:	Performance Targets/Criteria for Direct Measures:			
1. Comprehensive Exam	Minimum of 60% of graduating students obtain a passing score.			
2. Paper of a Case Study in Business	Minimum of 80% of graduating student score a 1 or 2 on all parts of project.			
Assessment Tools for Intended Student Learning Outcomes— Indirect Measures of Student Learning:	Performance Targets/Criteria for Indirect Measures:			
1. Student Exit Interview	Minimum of 90% of graduates perceive prog	ram to be of go	od quality.	
2. Alumni Survey	Minimum of 90% of graduates employed in business field or graduat school.		graduate	
			Performance Target Was	
Summary of Results from Implementing Direct Measures of Student Learning:		Met	Not Met	
1. A total of 20 students completed the comprehensive exam with 9 earning a passing score (45%)			Х	
2. A total of 20 students completed the case study with 18 earning a score of "1" or "2" on all parts (90%).		Х		
Summary of Results from Implementing Indirect Measures of Student Lear	ning.	Performance Target Was		
	1111g.	Met	Not Met	
1. A total of 20 exit surveys were distributed and 8 were returned with all 8 scoring a "4" or "5" (100%)		х		
2. Results of Alumni Survey not yet ready for analysis.				
Proposed Courses of Action for Improvement in Areas for which Performa	nce Targets Were Not Met:			
1. The comprehensive exam questions need to be updated. Planned for 20	013-2014 academic year.			
2. Most Advance students transfer many credits into program so an analysis needs to be conducted to see if the comprehensive exam is an effective measure of learning for this program. Also, need to see if comprehensive exam questions are course-specific and not topic/subject specific which would mean transfer students who otherwise have completed the coursework at another institution might be scoring low for reasons other than their comprehension of the information.				
3. Need to consider how to obtain more timely data from the alumni surv	ey or switch to a different assessment.			
4.				

	Student Learning Assessment for (Accounting - BS)
